RANCHO PARK

The property is located in the Rancho Park neighborhood of Los Angeles between Cheviot Hills and West L.A. Rancho Park's tree-lined streets give it an almost suburban feel, as well as provide a rare opportunity for Angelenos to see fall foliage without a long drive north. Those same trees provide plenty of shade of pedestrians taking the short walk to the shops and the restaurants on Pico or to play a round of golf at one of the nearby courses. With its own Expo Line station easy access to the 10 and 405 freeways, and many arterial streets nearby, Rancho Park makes commuting slightly more convenient.

The property is located in an affluent submarket of Los Angeles where the Zillow Home Value Index is \$1,917,082. The trade area is densely populated with 195,294 people within a 3-mile radius and an average HHI of \$135,958 within one mile.
